- Features :**
- Adjustable Thermostat for temperature control
 - Overload protection on Compressor
 - Fully Stainless Steel 304 Storage tank and body
 - No rusting, No Corrosion years of use
 - Hygienic, easy to clean
 - Low maintenance
 - Online water Cooler
 - Silent Operating
 - Faster Cooling, Power Saving PUF Insulation

Advantages:

'KelviN' is prominent Manufacture and Supplier of premium quality Drinking Water Cooler which we supply all over India to cater the needs of our clients. Our Drinking Water Cooler is available at the affordable market price for our customers. power saving insulation. Fabricated using high-grade stainless steel and essential quality raw materials. The product is specifically made to provide pure, safe and cool Drinking water.

WATER
